

# FutureCom™ Combi-Frame, 45 x 45 mm FutureCom™ Combi-Frame, 45 x 45 mm

CORNING

## Part Number: **CAXCSE-G0201-C011**

The LANscape® FutureCom™ combi-frame straight is suitable for the installation of LANscape FutureCom modules. The combi-frame 45 x 45 mm with self-closing shutters is intended for the direct assembly into cable raceways. Holders for cable tray are not intended, because the combi-frame can be in-clicked directly into the cable raceway. Two designation windows with designation stripes are included.

## Features and Benefits

Self-closing shutter

---

Coding possibility with labeling icons for each port

---

Designation window

---

45 x 45 mm footprint, e.g. compatible with Legrand "Mosaic"
