

Presslok™ Splice Connectors UR2, Box

CORNING

Part Number: UR2-BOX

With the Presslok™ series of tools and connectors, service providers can meet the demand for enhanced customer services such as high-speed internet, video-on-demand, and video conferencing. Presslok connectors also offer full wire-range capability, increased port size to accommodate up to 2.08 mm (0.082 in) insulation sizes, and solvent resistant plastic construction. As new technologies migrate into the local loop, the importance of reliable connections in the embedded plant has increased exponentially. Each connection is a potential point of failure in high-bandwidth applications, which could require additional time and expense for a technician to repair. That is where the full line of Presslok connectors can really make a difference.

Features and Benefits

Fast installation

Ease of Use

Wide Range of Common Wire Guages

Factory-installed sealant

Dry versions available for Central Offices and Vaults

Presslok™ Splice Connectors, UR2 Gel-filled IDC Butt Splice Connector, Box Packaging (100 pce)

Specifications

General Specifications

Product Type	Copper Splice Connector
--------------	-------------------------

Standards

RoHS	Free of hazardous substances according to RoHS 2011/65/EU
------	---

Design

Composition	Gel-filled
No. of connections	Two or Three (2 or 3)
Connector Type	Butt
Conductor	26 - 19 AWG
Conductor Range	0.4 mm to 0.9 mm (0.02 in to 0.04 in)

Dimensions

Weight	0.08 kg
--------	---------

Ordering Information

Product Number	UR2-BOX
EAN Code	4059496712528
Packaging Method	Box
Units per Delivery	1000/1

Presslok™ Splice Connectors UR2, Box

The Corning logo consists of the word "CORNING" in a white, serif, all-caps font, centered within a solid blue square.
