Standard FutureCom™ LANscape® Patch Panels 19"
high-grade steel

CORNING

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors.

The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.

Features

- Suitable for all LANscape modules (FO and Copper)
- Robust metal construction, high-grade steel

Part Number: WAXWSV-02400-C001

Part Number: WAXWSV-02400-C001
